

LONG STAY PARKING AT MANLY COUNCIL CAR PARKS

Council operates four parking stations in the Manly CBD, located at Whistler Street, Wentworth Street (Peninsula), and two in Central Avenue (Pacific Waves and the Manly National).

In order to improve the turn-over of parking in Council's car parks, some important changes will take place from 1 July 2010 for long stay parking patrons:

- All 'Early Bird Parking' will be located at the Manly National Car Park off Central Avenue (conditions apply);
- Fees for prepaid parking for existing users will increase except at the Manly National where fees will be reduced;
- Existing users of prepaid parking will continue to use their current nominated car park but all new applications for prepaid parking will only be available for the Manly National Car Park;
- During the day (prior to 7pm) fees for parking for 3 hours and longer will be increased. Parking for 3 hours will cost \$7, for 4 hours \$20 and for 5 hours or all day to 7pm \$45;
- Parking after 7pm will cost \$3 for the first hour and \$8 for the **second hour and beyond** up until midnight when the car parks close. On Friday and Saturday nights when the Whistler Street car park operates through the night, the maximum parking fee is \$25 if you are exiting after midnight and have stayed longer than 2 hours.

The current 'free first two hours' parking arrangements will remain.

A full schedule of revised fees is available from Manly Council's website at www.manly.nsw.gov.au.

All enquiries or concerns about the new arrangements can be directed to Council on **9976 1600** or via email to records@manly.nsw.gov.au
